May it please Your Excellency,

At a meeting of the public of Ullal village Mangalore taluk held on 2.2.1941 at which the enclosed resolutions were passed, I have been directed to send the copies of the same resoloutions among others to Your Excellency , which I humbly beg to do herewith.

The vast majority of the poor Gosh women of Ullal who have hitherto used to enjoy the services of a District Board midwife have been suddenly deprived of her services for no other fault than that the representative of the District Board from that locality lived i. Kotekar about 3 miles away to which he wanted her Head quarters to be transfered.

May I therefore leave of Your Excellency to place this matter before Your Excellency and humbly pray on behalf of the villagers that this grievance and gross injustice done to them may be remedied. For which the people of Ullal will ever be grateful to Your Excellency.

I have the honour to remain
Yours Excellies' most obedient Servant

PROCEEDINGS OF THE PUBLIC MEETING HELD IN ULLAL MAPLA SCHOOL ON 2-1-1941 AT 4. P.M.

(1) Proposed by Mr. U. Devappa Kini and Seconded by Mr. M. Hammabba Beary that M. R. Ry., U. C. S. Bhat Avl., B. A., B. L., Vakil be elected to Chair and carried unanimously.

(2) That this meeting protests against the removal of the Midwife from Ullal which was her Headquarters since the last about 20 years, to Kotekar about 3 miles away is unjust and causes hardship and untold suffering to the people of Ullal especially considering that Ullal has a population of about 10,000/- whereas Kotekar has only a population of about 4000/- and odd and also considering that the population of Ullal is preponderantely mapla and hence Gosha and that, therefore, this meeting submits that a Midwife is absolutely necessary here and the Headquarters of the present midwife should be retained at Ullal as before proposed by Mr. U. Devappa Kini, Retired District Board Engineer and seconded by Mr. M. Hammabba Beary, Merchant and Land-lord Ullal and carried unanimously.

(3) Resolved that the above resolution be cammunicated to HIS EXCELLENCY THE GOVERNOR OF MADRAS, Director of Public Health, The President of the District Board and to The Collector of South Kanara. Proposed by Mr. U. Dayanand Rao and Seconded by Mr. Gulam Khader and carried unanimously.

Sir,

With reference to Government Memorandum No. 7054-1-D2 P.H., dated 4-3-1941, I have to state as follows :-

Till 1940, the District Board maintained only 8 maternity & Child Welfare centres of which 6 were in Mangalore Taluk and 2 in other taluks. Government in their orders Ms. No. 3295 P.H., dated 18-9-1939 sanctioned 2 posts of midwives for maternity and child welfare centres bringing the total number of maternity centres in the -- District to 10. The sanctioning of these 2 additional centres necessitated a more equitable distribution of

P.T.O.

centres among the Taluks. The District Health Officer and I after carefully going through this question suggested to the Board the following redistribution of centres with due regard to the proximity of dispensaries and hospitals, inadequacy of Medical relief and population.

Mangalore Taluk	:	4 centres at Kotekar, Surathkal and Ferringapet and Gurpur.
Kasaragod Taluk	:	2 centres at Perdal and Nileshwar.
Puttur Taluk	:	One centre at Bellare.
Udipi Taluk	:	One centre at Perdur since transferred to Bailoor (Karkal Taluk).
Coondapur Taluk	:	Two centres at Kandlur and Wandse since transferred to Gurpur.
Karkal Taluk	:	Two centres one at Ajekar and another at Bailur.

The reshuffling of maternity centres was approved unanimously by the District Board at its meetings held on 13-5-40 and 9-11-40.

2. In the redistribution, the maternity Centre at Ullal was shifted to Kotekar for the following among -- other reasons :-

(1) The maternity centre at Ullal was only about 2 miles from the Head quarters of the District with a river intervening which could be crossed by boat at all times during day and night. The people of Ullal therefore are able to get expert Maternity relief from the Head -- Quarters Hospital, Mangalore.

(2) Kotekar is better suited for a maternity centre. It serves the villages of Someshwar, Talapadi, -- Manjanadi, Uchil and also Ullal among others. The people of Ullal village cannot have any real grievance as maternity relief can easily be obtained both from the midwife of the Kotekar centre who is only about 2 miles away and the Lady Goschen Hospital in Mangalore. It cannot be said therefore that Ullal has been deprived of maternity relief when the people of that village are in a position to get it without much inconvenience.

On receipt of a petition from the villagers of

Ullal I visited the villages of Ullal and Kotekar in company of the District Health Officer on 31-1-1941. As one of the members of the Board representing the Kotekar circle had gone out of the village for treatment it was not possible for me to ascertain his views and settle the matter. I propose to visit this village again and in consultation with the District Health Officer and the 2 members of the Board hope to settle this matter soon.

F o r w a r d e d.

The District Board, South Kanara in its resolution dated 9th November 1940 decided on shifting the Maternity and Child Welfare centre from Ullal to Kotekar. The inhabitants of the village protested against it and sent in a representation to retain the centre at Ullal. The President, District Board and the District Health Officer visited both the -

both the villages on 31st January 1941 and the President, District Board seemed to have promised to do his best in retaining the centre at Ullal with the midwife. After re-consideration the District Health Officer has been informed by the President, District Board that provision had not been made in the current years' budget for a separate midwife at Ullal. Ullal has a population of 10,000 as against 4,000 in Kotekar and the residents of Ullal are mainly Mappalas and as the inhabitants request the retention of the midwife at Ullal the District Board may be advised to re-consider the question of providing a separate midwife at Ullal and to make the necessary provision in the current year's budget i.e. Rs.360/-.

Sir,

DEPUTY SECRETARY TO GOVERNMENT :: EDUCATION AND PUBLIC HEALTH DEPARTMENT :: 20 OCT 1941

Subject:- Maternity and Child Welfare - Employment of a Midwife at Ullal - Reply sent.

With reference to Government Memo. No.24574-1H, dated 2[illegible]-41, I have to inform the Government that in view of the directions contained in Government Order No.Ms.1725 L.A., dated 25-6-41, that the District Board should reduce expenditure under the Public Health by Rs.15,000/- and the acute financial stringency, the Board is not in a position to employ a separate Midwife for Ullal. It has therefore in its resolution No.71 dated 1-9-41 decided to post a Midwife to Ullal by transferring one of the Midwives temporarily from a centre when the work turned out by the Midwife is inadequate.

2. A further report as regards the posting of the Midwife to Ullal will be sent soon after the next meeting of the District Board to be held in the last week of November 1941.
